

FUNDING PROPOSALS, GRANTS, AND SPECIAL PROJECTS

Code DD Issued DRAFT/24

In order to offer the best educational opportunities possible for students of the district, the board will seek as many sources of revenue as possible to supplement the funds provided through local taxation and the basic aid offered by the state.

The superintendent will notify the board of all funding proposals that are accepted.

Donations from Private Sources

The district accepts donations of money, securities, property, etc. from private sources for scholarships, staff development, and other educational improvement purposes.

Such gifts will be approved by the board, administered by the superintendent, and used as instructed in the terms of the gift or bequest.

The board will not accept bequests, endowments, or other gifts if the conditions of the gift remove any portion of the public schools from control of the board.

School and District Grant Awards

The district will request and accept grants from state, federal, corporate, and private sources. All grants sought by the district will be coordinated through the district's designee for state and federal programs, reviewed by the chief operations officer, and approved by the superintendent.
