

UNENCUMBERED TIME

Code **GCLE-R** Issued **MODEL/23**

Procedures for Unencumbered Time

The principal of each school will establish an unencumbered time schedule that will provide at least 30 minutes of duty-free time each regular school day for all qualified teachers with the goal of providing an average of at least 150 minutes of unencumbered time per week.

The principal will review the schedule as needed to ensure compliance with the guidelines and to maintain equity and fairness.

The principal will also establish provisions for the safety and supervision of students by staff who are not entitled to unencumbered time.

Eligibility

A full-time teacher teaching kindergarten through fifth grade and working a minimum of 30 hours per week is eligible for 30 minutes of unencumbered time per school day.

A teacher responsible for instructing a special education class for more than 20 percent of the school day with students who are removed from the general education setting is eligible to receive 30 minutes of unencumbered time per regular school day.

Note: This provision is not limited to elementary special education teachers and extends to special education teachers who meet these criteria in grades K through 12.

Reduction or Withholding of Time

The board prohibits improper reduction or withholding of a qualified teacher's unencumbered time. A qualified teacher's unencumbered time may only be withheld or reduced when it is reasonable and necessary due to extreme and unavoidable circumstances to ensure the safety and welfare of students and staff.

In determining whether an extreme and unavoidable circumstance exists, the principal will use the following guidelines:

- A staff shortage exists when, despite reasonable efforts the principal is unable to find a sufficient number of staff members and substitute teachers to maintain instruction or to supervise students during unencumbered time periods, and no other staff members are available.
- An extreme or unavoidable circumstance exists when because of an emergency drill, illness, epidemic, natural or man-made disaster, the principal cannot acquire staff to supervise students.

Reporting of improper reductions or withholdings

A teacher who believes their unencumbered time has been intentionally and improperly reduced or withheld by their principal should follow the district's established grievance procedure. Violations may result in appropriate action under the district's disciplinary policy and may be sufficient cause for suspension or revocation of the principal's educator certificate.
